What to know

OUR BOARD

Our Associate Board consists of young professionals under 30 who are committed to expanding access to books and looking for professional Board and leadership experience.

YOUR ROLE

Associate Board members commit to contributing or securing \$5,000 for BFK each year. They also participate in quarterly meetings and volunteer opportunities.

WHY JOIN?

You will help children discover a lifelong passion for reading while growing as a nonprofit leader and philanthropist. Your leadership, ideas, and dedication will change lives.

BOOKS FOR KIDS!

Building a culture of reading

Books for Kids prepares preschool-aged children in under-resourced communities for success in kindergarten and beyond by building libraries, hosting literacy programs, and promoting reading at home during the most critical years of their development. We have 50 libraries across the country, with 25 in New York City. Our Library Specialists deliver over 6,000 hours of literacy programs each year.
